I need to extend a GREAT BIG THANK YOU to everyone who shared in the most amazing experience with me and my family on Holy Saturday 3/31/2018 at Trinity Church in New Haven. I cannot thank each and every one of you enough for taking the time to be there to support our

son Charles and I in our next step regarding our ongoing journey with God through the Episcopal church at Christ and The Epiphany. The experience was most amazing and spiritually uplifting, but it would not have been so memorable without each and every one of you who were there to support us unconditionally and spiritually through Jesus Christ our Savior. You are more to us than just friends and spiritual supporters. You are our true family in Christ and we are so forever grateful. In total there was 31 of us there between our immediate family and our Christ and The Epiphany family. Since that day my mantra has been 31 we stand united and strong! God Bless you all for blessing me and my family with your love and

Junior Warden Report

Jan Cianelli

We discussed how several items concerning the building such as thermostat settings and storm windows and screen installation depend largely on the weather.

We also reviewed the possibility of cleaning the window wells. We are fine tuning the Spring cleanup undertakings once the landscaper completes his assignment. A possible Boy Scout project could be the cleaning of the window wells.

I was informed by DelRocco Flooring that the tiles that they had selected are no longer available. We may not be able to obtain replacement tiles at the same value. I suggested we wax the floor in the upper hall in the hopes of preserving that flooring.

I received two inquiries regarding hall rental, however, my call to the individual was not returned.

Steve Langlan will be our “go to” for Furnace repair both at 29 and 47 Park Place.

June 3rd the Lyons Club will be hosting a Fundraiser in which the proceeds will be donated to our Capital Improvement Fund.

I would like to thank Astrid Swanson for the planting of the Spring flowers!

Midnight Run

Kathy Alison

As usual we participated in Midnight Run for the homeless in New Haven. We provided a bagged meal, clothing, and personal care packages for men, woman, and children.

As the warmer weather approaches we will be asking for donations of deodorant. The homeless seek these items so that they are not offensive.

The Season at a Glance

Tony Lamberti

With the closing of the Opera Season for this year, and the final HD Broadcast of Cendrillon on April 28th we are sad to see how quickly the season passed this year. But before the Metropolitan Opera closes you must see the wonderful production of “Romeo et Juliette” which runs May 5th and May 12th.

The Met prepares to open its Ballet Season with “Giselle”. Giselle is a weak-hearted young girl, adored by her native villagers, who lives with her watchful mother, Berthe. Hilarion, the village gamekeeper, is desperately in love with Giselle. If you loved the

opera you will fall in love with the ballet. It is a grand and wonderful experience and a joy to see and enjoy.

As for myself, I am working on a list of notable opera composers for the upcoming summer. It would be wonderful to hear how you enjoyed the reviews over the past opera season, I welcome all suggestions for the upcoming season!

Joyce Aurelius has kindly offered to become the summer editor but will be heading towards the warmer climate for the winter months which leaves us with the opening for a winter editor.
